## What is BCBA

In September 2016, Bassein Christian Business Association (BCBA) emerged as a movement of Christian Entrepreneurs and professionals with a dream to unite our native Christian Businesses and harnessing resources and nurturing each other's growth in a spirit of transparency, commitment excellence and trust.

Monthly Networking Meetings are being held in various corners of Vasai-Virar: Manickpur, Bangli, Sandor, Bhabola, Nirmal, Mercedes, Mulgaon, Satpale, etc. wherein renowned speakers and experts are invited to educate members of Business networking, Financial Management, Cashless Economy, GST, Real Estate Acts, Govt. Schemes for Small and Medium Enterprises, Stress managements, Behavioral Challenges etc. as well as some learned lessons from successful entrepreneurs from the community and outside.
